THE LATEST FITTINGS & APPLIANCES?

Your kitchen and bathroom needs to be beautiful yet functional. A well designed space where everything has its place. There are a lot of decisions to be made from layout and design through to tile, fittings and colour selection. A good designer will help you create the perfect kitchen and bathroom. One that suits your home and your lifestyle. By using a **KBDi member** you can be confident that your designer:

- stays up to date with consumer and industry trends
- has access to comprehensive training
- is required to comply with a strict code of ethics
- is part of a National organisation with local networks

KBDi Certified Kitchen Designers and Certified Bathroom Designers are accredited to the highest standards through a rigorous process including the highest level of industry training, years of experience and continuing professional development.

The KBDi is Australia's **ONLY** specialist kitchen and bathroom designers association.
